DETAILED ACTION

Election/Restrictions

Applicant's election without traverse of claim 2 in the reply filed on 10/20/02 is acknowledged.

This application is in condition for allowance except for the presence of claims 1, and 3-7 to inventions and species non-elected without traverse. Accordingly, claims 1, and 3-7 have been cancelled.

Allowable Subject Matter

Claim 2 is allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

With regards to claim 2, the prior art of record alone or in combination do not teach method steps of:

determining a memory handle in accordance with a virtual address of the second map;
associating the password and the memory handle with the second map;
requiring the password for accessing the second map; and
communicating via the channel data identified in accordance with the memory handle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
